

SECURING THE FUTURE

a signature nonprofit event

Sponsorship Opportunities

Securing the Future is an annual Greater Cincinnati program designed to build non-profit resources and skills. Between 300 - 400 nonprofit executives, board members, fundraisers, funders and community leaders attend each year. The program began in 2001 and Leadership Council is very honored to host this program since 2016, with the help of a great team of volunteers. The program presents speakers who will provoke, stimulate, inspire and motivate attendees to gain a broader understanding of current and future trends on the local, national and global level. This conference helps nonprofits to continue to build and *secure the future* of every individual, and community they serve. **Please consider becoming a Securing the Future Conference Sponsor!**
