

SECURING THE FUTURE

a signature nonprofit event

What is Securing the Future?

The region's premier nonprofit conference annually welcomes 300+ nonprofit sector decision-makers and influencers to hear from a national speaker, learn from local leaders in breakout workshops, network and mingle with sponsors at our vendor fair. You won't want to miss this chance to be part of the energy!

We offer a range of sponsorship levels for this conference to fit your brand and marketing needs. New opportunities this year include breakfast, break, and lunch sponsorship!

Sponsorship is a great way to get visibility before, during, and after the conference with hundreds of nonprofit executives, fundraisers, board members, funders, and community leaders, not just those who attend but everyone who sees pre- and post-conference promotion.
