

SECURING THE FUTURE

a signature nonprofit event

What is Securing the Future?

Our region's premier nonprofit conference welcomes 300+ nonprofit decision-makers and influencers to hear from distinguished speakers, learn from local leaders, and network with sponsors at our vendor fair. You won't want to miss this chance to be part of the energy!

Sponsorship is a great way to get visibility before, during, and after the conference with an audience of nonprofit executives, fundraisers, board members, grantmakers, and community leaders, not just attendees but everyone who sees pre- and post-conference promotion. We offer a range of sponsorship opportunities levels for this conference to fit your brand and marketing needs.

Who sponsors: law firms, banks and financial firms, payroll/benefit providers, grantmakers, consultants to the nonprofit industry, tech vendors, and more.
