

## SPONSORSHIP OPPORTUNITIES 2024

Leadership Council for Nonprofits has been working to build skills and professionalism for the region's nonprofits since 1977. Associating your brand with Leadership Council programming builds thought leadership with our audience of more than 200 member organizations and many other area nonprofits. It demonstrates that you care about building strength and capacity across a wide range of missions that make our community better.

If you are a company or funder who would like to increase your visibility and connections with nonprofit decisionmakers, and publicly show your commitment to our vibrant nonprofit sector, we offer several tiers of annual support, plus individual programs and events open for sponsorship.

We also offer an annual Associate Membership for 1-2 person businesses (i.e., independent consultants or suppliers that promote, support, and/or are utilized by nonprofits).
