Executive Director's Message - Jenny Berg

As you may have heard, Leadership Council is pleased to partner with United Way of Greater Cincinnati as the new host of the BOLD - Board Orientation + Leadership Development program, and I am thrilled to share that Jack FitzGerald is now the BOLD Program Coordinator. Jack's been hard at work researching, getting alumnae feedback, rebranding, developing the curriculum and more. He has more to share below.

We had so much fun on our "listening tour" of our 12 different leaders circles this past month. It was great to see, feel, and hear what the participants enjoy about the circles, as well as what they would like to see. If you are interested in this peer to peer coaching program, now's the time to register [HERE](#).

BOLD Update

All board members are board leaders. **The Board Orientation + Leadership Development (BOLD) program** is for anyone who desires to learn how to be a better board member.

"Fifth Third is pleased to continue our relationship with the BOLD program," said Tim Elsbrock, senior vice president and regional president for Cincinnati at Fifth Third Bank. "We are excited about our enhanced partnership with the Leadership Council for Nonprofits on this phenomenal program that prepares our region's brightest professionals for board and community leadership."

In March, the Leadership Council took on the leadership of BOLD. Since then, we have been listening and gathering feedback from graduates and local executive directors. This allowed us to understand how to maximize our service to nonprofits and meet their board needs. [Click Here](#) to read more and register

Nonprofit Offerings

Project Advance AmeriCorps has openings for 2 partner sites to host AmeriCorps members this fall.

Our AmeriCorps members sign up to serve 11 months (Sept. 2019 through July 2020) at entry level social service positions in order to build their resume and gain experience. The host site pays \$11,000 to host the AmeriCorps member. The members help provide entry level services to the agency clients.

We seek partner sites where the member can help provide services to low income clients in

health, education, housing or employment related programs. The members need to spend most of their 40 hour service week providing direct services to clients, (not administrative or clerical roles). For more information, click [HERE](#)

Member Spotlight

Literacy Network of Greater Cincinnati

**Michelle Otten
Guenther**

Tell me a little about your agency, yourself, your career, and your current position.

I started as a volunteer because I was inspired by our mission to improve reading outcomes for children and adults. I have been in my current role for four years and continue to be inspired by our students and dedicated volunteers who make what we do possible. I love sharing what we do because we are very much a grass-roots, community based organization. Last year alone, we trained over 1,600 new volunteer tutors! I think this says a lot about the generosity of our community. We help adults and children learn to read through a variety of programs, but all of them connect people who want to help with people who could use some help. I think that is key to creating a successful community. Because when we behave like good neighbors and help one another we are not only helping that individual, we are strengthening the entire community. [Read More](#)
